

Exponent[®]
Engineering & Scientific Consulting

Kayleigh Coates

Scientist | Chemical Regulation and Food Safety
Harrogate
+44 (0) 1332 868021 | kcoates@exponent.com

Professional Profile

Ms. Coates is currently working as part of the REACH team, focusing on the completion and submission of REACH registration dossiers and the provision of in-house knowledge of toxicology.

Prior to joining Exponent, Ms. Coates worked as a laboratory research assistant in the Genetic Toxicology department at a Contract Research Organisation. Her focus was performing a range of in vitro skin sensitization and toxicity assays.

She holds a MSc in Toxicology from the University of Birmingham, and a BSc (Hons) in Biochemistry from the University of Nottingham. During this time, she worked on the role of histone acetylation in epigenetic mechanisms, as well as a polymer formulations chemistry project.

Academic Credentials & Professional Honors

M.Sc., Toxicology, University of Birmingham, UK, 2020

B.Sc., Biochemistry, University of Nottingham, UK, 2019

Prior Experience

Research Assistant II, Genetic Toxicology, Labcorp Drug Development, 2021-2022
