Engineering & Scientific Consulting

Olivia Kelly

Senior Scientist | Chemical Regulation and Food Safety
London
+44 (0) 1332 868023 | okelly@exponent.com

Professional Profile

Ms. Kelly holds a MChem and BSc in chemistry from the University of Leeds. During this time, she worked on the fabrication of titanium dioxide materials with enhanced optical properties.

The optical properties were successfully modified through the incorporation of selected organic dyes within a solvothermal synthesis of anatase titanium dioxide nanoparticles. Her current work focuses on the compilation and submission of REACH registration dossiers and the provision of in-house expertise of materials chemistry.

Academic Credentials & Professional Honors

M.Chem., Chemistry, University of Leeds, UK, 2020
