

Valerie Jamison, RN, BSN, CAISS

Senior Nurse | Biomechanics
Atlanta
+1-678-412-4814 | vjamison@exponent.com

Professional Profile

Ms. Jamison is responsible for reviewing and analyzing medical records, providing objective interpretations of these and other related documents, and creating detailed medical indices utilized during case development. She also serves as a resource for standards of care, medical terminology, and expected outcomes for a wide range of healthcare issues while contributing case-specific support to engineers and other members of a project team.

Prior to joining Exponent, Ms. Jamison had extensive nursing experience in Adult Intensive Care, Post-Anesthesia Recovery, and Interventional Radiology. Additionally, Ms. Jamison has been employed as a Legal Nurse Consultant by both Plaintiff and Defense firms providing either consulting support or testifying expert services on a variety of cases, including: Medical Malpractice, Personal Injury, Product Liability, Pharmaceuticals, and Mass Tort litigation.
